NEWS RELEASE

**Karin Secures Distributorship for Tectia Products
in Hong Kong**

Singapore, August 12, 2010 - Singapore Exchange (“SGX”) Mainboard listed Karin Technology Holdings Limited (“**Karin**” or the “**Group**”), a leading IT and components solutions and services provider in Hong Kong and the People’s Republic of China (“**PRC**”), is pleased to announce that its wholly owned subsidiary, Sen Spirit Technology Limited (“**SST**”), has been appointed by Tectia Limited (“**Tectia**”) to distribute Tectia’s data security and managed file transfer software in Hong Kong with effect from August 2010.

The addition of Tectia’s product and solutions to Karin’s suite of products is part of the Group’s efforts to continuously improve its offerings through partnerships with various global information technology vendors.

Tectia is a leading vendor of real-time security software for modern, networked organizations. Its solutions enable users to secure, automate, and govern confidential information in fixed, mobile, and cloud environments. Through SST’s extensive network of reseller channels, Tectia’s solutions can be offered to many businesses in Hong Kong.

Mr. Philip Ng, Executive Chairman of Karin, is highly optimistic about the collaboration with Tectia, “We look forward to this partnership with a well-recognized company like Tectia. Its state-of-the-art solutions are a valuable contribution to our product portfolio, and will help us to boost sales through our channel resellers. We are now in a stronger position than ever to provide a more comprehensive suite of solutions to businesses,” he commented.

“Karin and SST bring a wealth of expertise and knowledge of their customers’ security needs. We are confident that the new relationship with SST and Karin Group will bring extensive benefits to our joint customers,” said Jari Mielonen, CEO of Tectia Corporation.

None of the Directors or substantial shareholders of the Group has any interest, direct or indirect (other than through their shareholdings in the Group), in the above collaboration.

About Karin Technology Holdings Limited

Listed on the Mainboard of the Singapore Exchange in 2005, Karin is a leading IT and components solutions and services provider in Hong Kong and the People's Republic of China ("PRC"). Since 1977, Karin has been principally engaged in the electric components and computer distribution business for various segments of the electronics industry, including the communications, computer, electrical appliances and utility segments. In view of the increasing demand for IC software application solutions in the 1990s, Karin expanded its business to include the provision of outsourcing services such as IC application design solutions and data storage management solutions.

Karin has also in 2007 acquired I M I Kabel Pte Ltd, a Singapore based distributor of a full range of cable products, including data control cables, connectors, power voltage cables, connectively cable products, accessories and equipment for various applications for a variety of industries ranging from industrial automation to port and shipyard, offshore oilfields and petrochemical facilities.
