## **Karin subsidiary signs distributorship agreement with CA Technologies in Hong Kong**

**Singapore, 23 June 2014** – Karin Electronic Supplies Co. Ltd., a subsidiary of SGX Mainboard-listed Karin Technology Holdings Limited (“**Karin**” or together with its subsidiaries, the “**Group**”), a leading Hong Kong-based electronic and industrial components and IT solutions distributor and outsourcing service provider, has secured the distributorship in Hong Kong for Infrastructure Management, Application Performance Management, Security and Application Delivery solutions by CA Technologies (“**CA**”).

Founded in 1976, CA’s customers include 96 of the Fortune 100 companies. On 26 March 2014, Gartner gave CA an “overall Positive rating” for its cutting-edge IT software and solutions in the latest vendor rating report. CA was also named one of the top 20 “coolest cloud companies” by CRN.

CA Technologies creates software that fuels transformation for companies and enables them to seize the opportunities of the application economy. From planning to DevOps to security to systems management, CA solutions power innovation and drive competitive advantage for businesses everywhere.

Mr. Philip Ng, Karin’s Executive Chairman commented: “CA Technologies creates solutions that enable companies to stay ahead of the game and remain relevant to their customers and business partners in a world that is increasingly connected through the use of mobile-based applications. We are pleased to add CA to the Group’s portfolio of leading global IT brands and we are confident that our extensive distribution network in Hong Kong will make this a win-win partnership for both parties.”

### **About Karin Technology Holdings Limited**

Listed on the Mainboard of the Singapore Exchange since 2005, Karin is a leading electronic and industrial components distributor and IT solutions integrator and outsourcing service provider in Hong Kong and the People’s Republic of China. Established in 1977, Karin has been principally engaged in the electronic and industrial components and computer distribution business for various segments of the electronics industry, including the communications, computer, electrical appliances and utility segments. Karin expanded its business to include the provision of outsourcing services such as IC application design solutions and data storage management solutions, riding on the increasing demand for IC software applications in the 1990s. In 2011, Karin added a retail business arm to its operations under the trade name “In-Smart”. To date, the Group has six In-Smart stores in Hong Kong.
